Standard Conditions of Approval:

- The CPUC, via its designated Monitoring Supervisor, will review and approve/deny the TEWS request within four (4) business days of receiving this completed form.
- Use of TEWS is limited to 60 days.
- Use of TEWS shall be in compliance with local ordinances (including traffic/noise) and mitigation measures.
- If any sign(s) of cultural resources are identified, work shall cease immediately and the site shall be reevaluated.
- The proposed site shall not be used for storage of fuel or hazardous materials.
- All drips, leaks, and/or spills from vehicles and/or equipment shall be cleaned-up immediately and disposed of in appropriate, labeled containers.
- Adjacent streets shall be swept or cleaned with water at the end of each workday if visible soil material is tracked on them.
- No parking or storage of vehicles (including personnel vehicles) equipment, pipe, or any other project-related item shall be allowed on adjacent roadways.
- If a complaint is received, it shall be forwarded to the SDG&E Compliance Manager, and the CPUC for review.

The following signatures indicate that the proposed site is approved for TEWS. On a random basis, a CPUC Environmental Monitoring will verify that use of the proposed site is in accordance with the conditions noted. This approval may be revoked at any time by any one of the approval team members. Failure to comply with all conditions will result in immediate revocation of this TEWS approval.
