RE: Data Request #13 for Pacific Gas and Electric Company's Application for a Permit to Construct the Santa Cruz 115-kilovolt Reinforcement Project (A. 12-01-012)

Dear Mr. Fogelson:

The California Public Utilities Commission (CPUC) requests additional data related to the Santa Cruz 115-kV Reinforcement Project (A.12-01-012).

PG&E has indicated that they will request that the CAISO re-evaluate the need for the Santa Cruz 115 kV project at this time.

When will PG&E submit this request and when do you anticipate a response from CAISO?

Please contact me if you have any questions regarding this data request.

Sincerely,

Tania Treis, Principal
Panorama Environmental, Inc.
