Re: SXPQ ED01-SDGE Partial Response No. 1, Update to Q67 Response

Dear Ms. Blanchard:

Please update the August 18, 2014 response to Q67 parts 2, 3, 4, and 6 as follows:

The CAISO's nine (9) base cases for the 2012/2013 transmission planning process are available on the Market Participant portal. Please contact Robert Sparks (RSparks@caiso.com) for instructions on access to the portal. Also, note that Chapter 4 of the CAISO's 2012/2013 transmission expansion plan describes the generation and load assumptions that underlie the deliverability study.

If you have any questions or require additional information, please feel free to contact me by phone at (858) 636-6876 or e-mail: RGiles@semprautilities.com.

Sincerely,

Signed

Rebecca Giles
