

| Project Segment | Construction Activity(ies) | Worker Trips | | Hauling Trips | | Water Trucks | Equipment Delivery | Total Max Daily Trips |
|-----------------|---|--------------|-------------|---------------|-------------|--------------|--------------------|-----------------------|
| | | Workers | Daily Trips | Hauls | Daily trips | | | |
| A | Wire Stringing (pulling crew, sag crew, clipping crews) | 31 | 62 | 6 | 12 | 4 | 10 | 88 |
| B | Trench, Vault, and Bridge Excavation | 66 | 132 | 27 | 54 | 8 | 13 | 207 |
| C | Wire Stringing (pulling crew, sag crew, clipping crews) | 30 | 60 | 6 | 12 | 4 | 9 | 85 |
| D | Wire Stringing (pulling crew, sag crew, clipping crews) | 30 | 60 | 6 | 12 | 4 | 9 | 85 |

Assumptions

Worker trips include passenger trips, including work trucks. Also includes specialty monitors (SWPPP, Bio, etc..)

Equipment delivery is assumed to be one daily trip, representing worst-case delivery of equipment. Equipment would remain on site and therefore no return trip is included.

Hauling trips are assumed to equal 2 daily trips and include waste/soil hauling and material hauling/delivery.
